For over 50 years, East Jefferson General Hospital has been deeply rooted in the community, providing extraordinary care to East Jefferson Parish.

Treating our community like family is the only way we know. We've been committed to our community since 1971 by delivering one-of-a-kind care for everybody, from head to toe. Our national accolades speak for themselves. East Jefferson is the only hospital in Louisiana to have obtained a fifth Magnet re-designation for our commitment to nursing excellence. We're proud to be an amazing place to work and an extraordinary place for patients to receive care.

Gregory A. Nielsen
Chief Executive Officer
East Jefferson General Hospital
and Lakeside Hospital

“At East Jefferson General Hospital, our next level is now. With our academic partners, Tulane School of Medicine and Louisiana State University, we are proud to be a center of academic and clinical excellence. LCMC Health’s commitment to advancing healthcare excellence and fostering a culture of compassionate care, guides our journey towards continued success and positive experiences for our patients and this community.”

Our history and growth

1971	2002	2005	2017	2020	2022	2023	2025
Opened our doors on Valentine's Day to serve the growing suburbs on the East Bank of Jefferson Parish	Became Louisiana's First Nurse Magnet Hospital and the first to hold that prestigious distinction four times consecutively	One of only a handful of hospitals in our region to never close during or in the immediate aftermath of Hurricane Katrina	The first of three consecutive years being named #1 in Louisiana by CareChex in Overall Hospital Care	Joined LCMC Health, ensuring the highest level of care for our community for generations to come	Achieved our fifth Magnet designation, and fourth re-designation.	LCMC Health and Tulane University began transitioning services to East Jefferson General Hospital, continuing the positive momentum towards transforming healthcare in the region.	East Jefferson General Hospital, in partnership with Tulane University and LCMC Health, successfully completed its first heart transplant, increasing access to life-saving care in a region with higher-than-average rates of heart disease.

The care you need, close to home
