

# Personalized care you can count on

EJGH

For nearly 50 years, East Jefferson General Hospital has been deeply rooted in Metairie as East Jefferson Parish's not-for-profit community hospital, and the newest member of LCMC Health.

Treating our community like family is the only way we know. We've been sharing the love with our community since our opening on Valentine's Day in 1971 through our commitment to one-of-a-kind care for every body, from head to toe. Frequently recognized with national accolades, we're proud to be East Jefferson Parish's go-to for health and wellness.
