The Acknowledgment of Paternity (AOP) Affidavit is a legal document to establish paternity for the biological father of the child. This form is necessary to establish paternity for unmarried parents or parents wishing to establish paternity outside of marriage. The Hospital Birth Certificate Coordinator can help you file this form with the LDH – Office of Vital Records at no cost to you (genetic testing costs are the responsibility of the parents).

If you choose not to complete the AOP in the hospital, you may file an Acknowledgment of Paternity directly with the Louisiana Department of Health – Office of Vital Records and Statistics. There will be a fee for processing.

If either of you is not sure who is the biological father of this child, you should not sign this form. You should have a genetic test.

Any person signing an Acknowledgment of Paternity may, without cause, revoke their acknowledgment within 60-days of executing (signing) a form. The person must complete a Revocation of Acknowledgment of Paternity Affidavit and file it with Vital Records within the 60-day period. Call Office of Vitals record 504.593.5122 or visit website ldh.la.gov/index.cfm/page/681
