

Spirit of Charity legacy continues

Located in the heart of New Orleans, University Medical Center New Orleans' roots run deep, all the way back to the early days of the city we serve. University Medical Center carries the torch of Charity Hospital through a deep commitment to making exceptional care accessible to everyone who needs it.

The Spirit of Charity remains the heartbeat of University Medical Center. As we educate the next generation of providers and drive healthcare forward through groundbreaking research, we ensure that extraordinary care is always within reach. By defining the future of medicine through innovation, **tomorrow starts here.**

Tom Patrias
President & Chief Executive Officer
University Medical Center
New Orleans

“Deeply rooted in New Orleans, the Spirit of Charity inspires us not only to serve, but to innovate. We provide world-class care today while pioneering the breakthroughs of the next generation. At University Medical Center, we believe our community deserves the best of what’s next—because **tomorrow starts here.**”
