

# Personalized care you can count on

For 50 years, East Jefferson General Hospital has been deeply rooted in the community, providing extraordinary care to East Jefferson Parish, and is the newest member of the LCMC Health family.

Treating our community like family is the only way we know. We've been sharing the love with our community since our opening on Valentine's Day in 1971 through our commitment to one-of-a-kind care for every body, from head to toe. Frequently recognized with national accolades, we're proud to be East Jefferson Parish's go-to for health and wellness.

"At East Jefferson General Hospital, community and compassion are at the heart of what we do. We're committed to continuing our legacy of providing one-of-a-kind care and ensuring our community has its healthiest days ahead."

Richard Tanzella  
Chief Executive Officer  
East Jefferson General Hospital
