

Elevating healthcare. Improving lives.

At Lakeview Hospital, we deliver the most advanced medical and surgical care available to St. Tammany Parish, supported by state-of-the-art facilities, leading technology, and a dedicated team committed to exceptional patient outcomes.

We are a full-service acute care hospital offering 24/7 emergency care, nationally recognized heart, vascular and stroke services, advanced surgical care, rehabilitation, women's health, and award-winning behavioral health. As St. Tammany Parish's only Level II Trauma Center—and the ER is staffed entirely by board-certified physicians—we provide expert, reliable care close to home. The LCMC Health Physician Group further supports the community with 30+ providers at 11 Northshore locations in family medicine, cardiology, women's health, orthopedics, general surgery and more.

Ben Richaud
Chief Executive Officer
Lakeview Hospital

“Lakeview Hospital’s goal is to continually improve and expand the Northshore community’s access to high quality healthcare. Our purpose and ambition is for that care to be extraordinary and delivered with heart, soul, and human compassion.”

Our unique history and growth

1977

Opened our doors as a full-service community hospital and emergency room serving the Northshore community.

1995

Moved campus to current location.

2009

One of the only Northshore hospitals to have an Emergency Department staffed entirely by Board-Certified physicians.

2010

First of five consecutive years to be named one of the nation's Top Performer's on key quality measures by The Joint Commission, the leading accreditor of healthcare organizations in the United States.

2021

Received Level II Trauma Center verification making us the first and only hospital in St. Tammany Parish to achieve this distinguished classification.

2022

Named Top Workplace by *The Times-Picayune* and *The New Orleans Advocate* for the fifth year in a row.

2023-25

Lakeview Hospital became part of LCMC Health through a strategic partnership aimed at strengthening healthcare services and expanding access to high-quality care across the region.

Lakeview Hospital trains over 700 future healthcare providers every year
