

ROLL OUT

The Red Carpet

WEST JEFFERSON
JUBILEE 2026

Friday, November 6

6:30–10 pm

Hyatt Regency New Orleans

We're shining a spotlight on world-class patient care right here in our community.

Join us on Friday, November 6 for the West Jefferson Jubilee, as we celebrate a star-studded night for the health of our community. This extraordinary cocktail reception will be an evening filled with live music, delicious food, and exciting auctions in a grand effort to raise funds to benefit patient care at West Jefferson Medical Center. The night is also dedicated to recognizing Diane Sieta, the 2026 recipient of the Frank C. Di Vincenti, MD Community Leadership Award.

Because every patient deserves star treatment.

Proceeds from Roll out the Red Carpet will support **West Jefferson Medical Center's EMS team** and their life-saving work. Funds will be used to invest in advanced equipment, including LUCAS chest compression devices, ensuring our first responders are equipped with the most innovative technology available. Your support helps our EMS team respond with precision, speed, and excellence, improving outcomes and providing critical care when every second matters most.

Join us for a dazzling night of fun on the red carpet!

Our community relies on us, and we rely on generous partners like you to help us strengthen life-saving care on the Westbank. By joining us as a sponsor for the West Jefferson Jubilee, you will receive valuable exposure while equipping our EMS team with the resources they need to be there for patients in times of need.
